Personal Attributes

Ellen describes herself as an adventurous and resilient person with a deep curiosity for people and the world. She balances courage and independence with empathy and thoughtfulness, valuing creativity, meaningful connections, and shared experiences.

In **Finland**, Åbo Akademi at **#8** out of all universities

Highest Level: Master's Degree

University: Åbo Akademi University

Degrees: Bachelor's & Master's in Psychology

She enjoys traveling the world solo, yet never feels alone — she naturally builds incredible connections with people wherever she goes.

Athletic Abilities

Ellen is highly active and enjoys:

- Skiing
- Snowboarding
- Skydiving
- Diving
- Weightlifting
- Yoga
- Hiking
- Surfing

She maintains strong endurance, agility, and an overall love for the outdoors.

Motivation to Donate

"I wish to help others experience the magic of parenthood by contributing in a meaningful way. It is truly a blessing to be able to help in something so many people are struggling with."

She believes every person who wishes to be a parent should have the opportunity — for her, love and care define a family.

Family Background

Ellen grew up in Finland in a close-knit, active, and outdoors-oriented family. She has two younger sisters and an older brother:
