Motivation to Donate

Why do you want to become a donor?

Sophia is deeply motivated by the opportunity to help others build families. Having previously donated, she has experienced the joy of knowing she played a role in creating a life. She approaches the process with responsibility, care, and genuine compassion.

Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections and having minor out-patient surgery.

Do you feel prepared to commit to this process?

Yes

Are you open to being matched with all types of families regardless of sexual preference, marital status, ethnicity or sex of the egg recipient? Yes

If they request it, are you willing to meet your intended parents?

Yes - Zoom call is ok

Are you open to meeting the child in the future if that is requested?

No

Are you open to exchanging future contact information with your intended Parents(s)?

No

Personal Health History

Do you have any children?

No

Any past or current medical problems (including surgeries, accidents, birth defects, depression, etc.)?

No

Do you drink alcohol?

Yes, but very rarely

If so, how many drinks per week?

Very Rarely

Have you ever been pregnant?

No

Have you ever been a donor before?

Yes - 3x

Did a pregnancy occur?

Unknown

Are you currently taking any medication (for physical or mental health)?

No

Are you taking any recreational drugs

No

Do you smoke?

No

Are your menstrual cycles regular?

Currently regular cycles; last donation December with full recovery
