Please describe your personality

Responsible, committed, and disciplined, with a strong sense of empathy and care for others. I communicate easily and create genuine connections, always being attentive and respectful in my relationships. I am emotionally balanced, resilient, and maintain a positive attitude in the face of challenges. I value health, well-being, and quality of life, which is reflected in my active and mindful lifestyle. I have a strong sense of purpose and feel motivated by the opportunity to help others achieve their dream of parenthood through egg donation.

Why do you want to become a donor?

Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections and having minor out-patient surgery. Do you feel prepared to commit to this process?

Yes

Are you open to being matched with all types of families regardless of sexual preference, marital status, ethnicity or sex of the egg recipient?

Yes

Please explain why

I wish to become an egg donor because I have a strong sense of empathy and understand that many women face difficulties in fulfilling their dream of motherhood. Being able to contribute something so meaningful, which can transform the life of another person or family, is very important to me. I genuinely want to help, and at the same time, I feel grateful to have

the opportunity to provide this possibility to those who cannot do so on their own. To me, it is a gesture of solidarity, love, and purpose.
