Personal Attributes

“I would describe myself as very bubbly and an outgoing person, I thrive on making new connections and building friendships. I have an extroverted nature, I bring energy and positivity wherever I go. Family, loyalty and hard work are at the core of who I am. I have a big heart, always thinking of others, and I take pride in being dependable and caring.”

Athletic Abilities

- Volleyball - Played in High School & College
- Softball - Played in High School & College

Motivation to Donate**Why do you want to become a donor?**

I first started this journey because I want to help couples create families. When couples have to use a donor, that is at most times a very difficult decision, I want to help the families that are not able to make families on their own. The way I perceive donating is I am assisting loving couples create their dream families and lives.
