No

Where did you grow up?

Estonia

Do you have any siblings?

Yes - 1 brother

Do you have any children?

No

Personal Attributes

Do you have any artistic abilities?

Yes

List of abilities

Painting

Please describe your personality

I am a very outgoing, friendly, and bubbly person. I really love meeting new people and making new connections and tend to get along very well with people from all different backgrounds, because I have travelled a lot in my life. My friends and family would describe me as a really fun and positive person to be around. I'm always up for trying new things and would say I am quite spontaneous. I also am a very considerate person and care for the people around me. Some words I would use to describe myself is - Outgoing, Approachable, Supportive, Empathetic, Fun.

Hobbies & Specialties

I have been very creative since I was young, I love artistic projects, mainly I love to paint with acrylics.

I use to play on a basketball team when I was younger, and now I do it sometimes as a hobby.

I love cooking and my friends would say I am very good at it. Creating and learning new recipes is one of my favorite hobbies.

Favorite Food

Thai food, Sea food

Athletic Abilities

List of athletic abilities?

Il would say I have very good basketball skills.

When I was on a basketball team, I won MVP (most valuable player) and have a couple of trophies for this, and many medals for the games.

Motivation to Donate

Why do you want to become a donor?

Because I know there are a lot of people out there that face challenges with fertility, and I would love to help give someone the opportunity to build a family. I would be proud and happy to help someone to achieve their dream of being parents.

Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections and having minor out-patient surgery. Do you feel prepared to commit to this process?

Yes

Openness

Are you open to being matched with all types of families regardless of sexual preference, marital status, ethnicity or sex of the egg recipient?

Yes

If they request it, are you willing to meet your intended parents?

No

Are you open to meeting the child in the future if that is requested?

No

Are you open to exchanging future contact information with your intended Parents(s)?

No

If you have a chance to pass a message to intended parents, what would you like to send?

Thank you for taking the time to read my profile. I hope to help you achieve your dream of becoming parents and I am choosing to do this in hope to bring you joy and happiness to your lives so you can have the family you have always wished for, as I know how important mine is to me.

Personal Health History

Any past or current medical problems (including surgeries, accidents, birth defects, depression, etc.)?
