HER PERSONALITY

“I’m a free-spirited, curious, and adventurous person. I love discovering new places, meeting interesting people, and experiencing everything life has to offer. I’m independent, ambitious, and spontaneous, but also sensitive and deeply connected to the people I care about. I value freedom, authenticity, and meaningful connections, and I’m always looking for my next adventure.”

WHY SHE WANTS TO DONATE

“I’ve always thought there’s something really beautiful about being able to help someone create the family they’ve dreamed of. Knowing that I could be a small part of such an important and meaningful journey makes me genuinely happy. I think helping bring that kind of love into someone’s life is incredibly special.”
